## TEAS

FROM TEA PIGS

### EVERYDAY BREW

a top quality take on the ultimate british favourite. three delicious teas: a gutsy assam, a mellow ceylon and a powerful rwandan to give a balanced, malty, zesty alliance

### EARLY GREY STRONG

powerful assam and rwandan teas with the more delicate ceylon and darjeeling to give the perfect strong tea base for the zesty, all-natural bergamot flavouring

### GREEN TEA WITH MINT

a delicate chunmee green tea known as 'precious eyebrows' blended with peppermint leaves

### SUPER FRUIT

this naturally caffeine-free herbal infusion is pretty much bursting with berries with an invigorating hibiscus flower base, giving it a lovely deep red hue and a punchy, slightly tart taste

### LEMON & GINGER

an all-natural infusion of refreshing lemon with a ginger kick

### PEPPERMINT

the freshest, mintiest peppermint tea you'll try thanks to using big, whole peppermint leaves for big flavour

### CHAMOMILE

whole chamomile flowers make this tea so sweet and nothing like a regular chamomile
